CAPABILITIES STATEMENT

CORE COMPETENCIES

VRtical Media has expertise in designing immersive, user-friendly virtual tours tailored for government facilities and institutional sites, enhancing public accessibility, education, and transparency.

- **Increase Public Engagement:** Allow residents and businesses for wayfinding, and local officials to explore operations without needing an in-person visit.
- **Provide Educational Benefits:** Highlight processes, sustainability initiatives, and increase access to resources for students and programming purposes.
- **Improve Operational Efficiency:** Reduce the need for site visits while maintaining full transparency for stakeholders and support compliance efforts with easily shareable digital content.
